### REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

The prior art of record does not teach reconfigurable digital filter having multiple filtering modes, including an X-by-Y array of register for supporting at least one first filtering mode using the registers arranged in a linear configuration having at least two rows of the array of registers coupled together to form a single linear shift register and for supporting at least one second filtering mode using the registers arranged nonlinearly, and mode selection circuitry for switching the filter between the multiple filtering modes.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Chuong D Ngo whose telephone number is (703) 305-9764.

The examiner can normally be reached on Tuesday-Friday.
